

Eber Luis de Lima Steolo

Curriculum Vitae

March 25th, 2025

1. Personal Data

Name: Eber Luis de Lima Steolo

Age: 57 years old

Birthdate: 21/01/1968

Nationality: Brazilian and Italian

Ethnic Background: Italian-Brazilian

Religion: Christian

Contact:

Cellphone: +55 41 988969197

E-mail: dr.eber.stevao@gmail.com / drstevao.ohio@gmail.com

Web Profile: <https://www.linkedin.com/in/dreberstevao/>

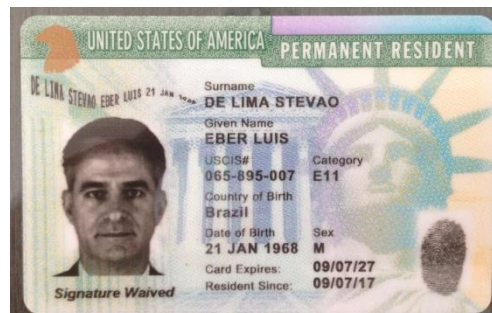

1.1 Identification

Passport number: CC 858075

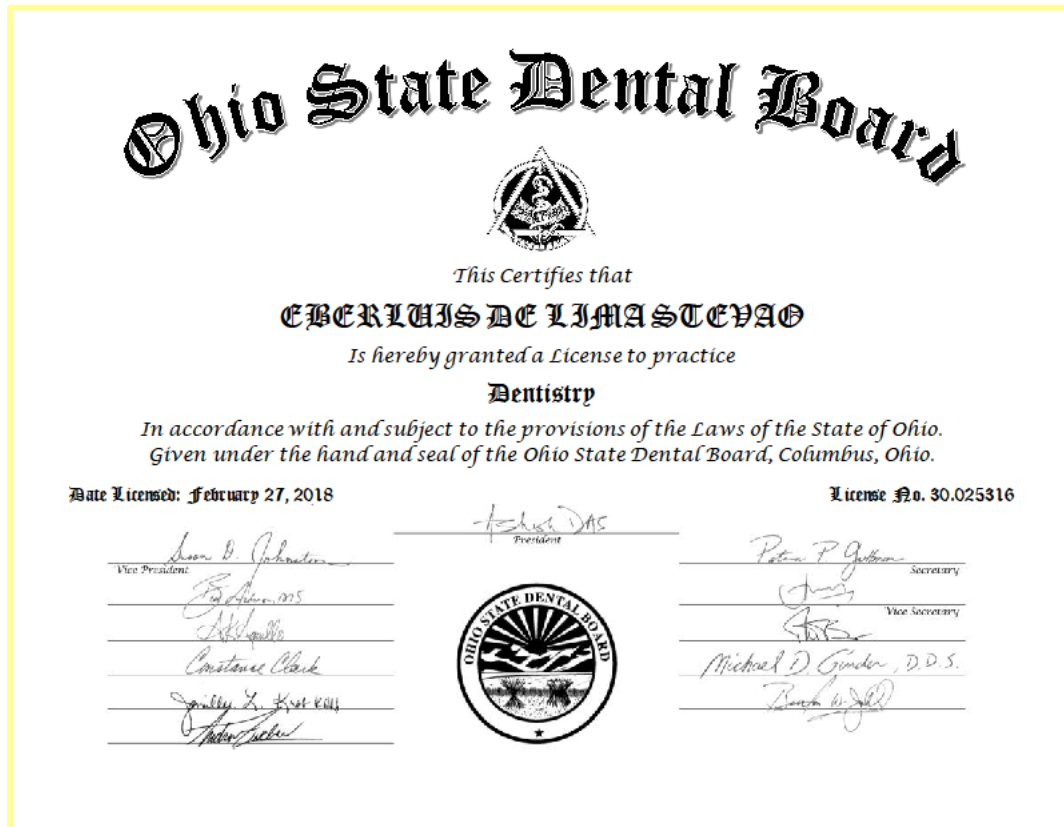

Driver License: UZ081794 - OHIO

Social Security: 044-78-5943

Legal immigrant - Green Card Holder

Licensure in Ohio by the Ohio Dental Board

2. Educational Background

2.1 Main Courses

Dentistry

Institution: Pontiff Catholic University

Place: Curitiba, Parana State – Brazil

Conclusion: 1991

Title obtained: D.D.S.

Annual Course in Plastic Surgery

Duration: 07 months

Coordinator: Julio Wilson Fernandes MD

Place: Pontiff Catholic University of Parana State, Brazil

Date: April 28 to November 27, 1992

Post-graduation in Teaching and Didactics

Institution: Pontiff Catholic University

Place: Curitiba, Parana State – Brazil

Conclusion: 1995

Title obtained: Specialist in Didactics and Education

Residency in Oral and Maxillofacial Surgery

Institutions: Pontiff Catholic University,

Cristo Redentor Hospital, and Sao Lucas Hospital

Place: Porto Alegre, Rio Grande do Sul State - Brazil

Conclusion: 1996

Title obtained: OMS Specialty

Post-Doctoral in Oral and Maxillofacial Surgery

Institution: Pontiff Catholic University

Place: Porto Alegre, Rio Grande do Sul State - Brazil

Conclusion: June 1999

Title obtained: PhD

Fellowship Program in Oral and Maxillofacial Surgery 2-Year Program (2001-2003)

Place: Baylor University Medical Center and Baylor University Medical Center

Preceptor: Dr. Larry M. Wolford DMD

Sammons Cancer Center Tower

3409 Worth St., Suite 400

Dallas - TX, 75246

Phone: (214) 828-9115

Dentist licensed in Columbus - Ohio, USA

Oral and Maxillofacial Surgeon licensed in Columbus - Ohio, USA

2.2 Other Courses

1. Externship Course: Head and Neck Surgery

Duration: 20 hours

Place: Curitiba, Parana State - Brazil

Date: May 08 to 17, 1989

2. Externship Course: Oral Surgery

Duration: 12 hours

Professor: Clovis Marzola DDS, PhD

Place: Curitiba, Parana State - Brazil

Date: August 25 to 26, 1989

3. Externship Course: Atualizations in Oral Surgery

Duration: 10 hours

Place: Curitiba, Parana State - Brazil

Date: October 25 to 27, 1989

4. Externship Course: II Course of Oral Surgery

- Duration: 12 hours
 Professor: Clovis Marzola DDS, PhD
 Place: Curitiba, Parana State - Brazil
 Date: October 05 to 06, 1990
5. I Meeting of Craniofacial Surgery
 Duration: 15 hours
 Place: Curitiba, Parana State - Brazil
 Date: April 01 to 05, 1991
 6. Clinical-Anatomical Aspects of Trigeminal Neuralgia
 Duration: 16 hours
 Place: Curitiba, Parana State - Brazil
 Date: June 03 to 06, 1991
 7. Minor Oral Surgery
 Duration: 04 hours
 Professor: Mauricio Zardo DDS, PhD
 Place: Curitiba, Parana State - Brazil
 Date: September 04, 1991
 8. Major Oral Surgery
 Duration: 04 hours
 Professor: Paulo Jose de Medeiros DDS, PhD
 Place: Curitiba, Parana State - Brazil
 Date: September 05, 1991
 9. Occlusion and Temporomandibular Joint
 Duration: 12 hours
 Professor: Claudio C. de Miranda DDS
 Place: Curitiba, Parana State - Brazil
 Date: April 01 to 03, 1992
 10. Hydroxyapatite – Biomaterials
 Duration: 08 hours
 Professor: Leonardo Lanna Wykrota BCh
 Place: Curitiba, Parana State - Brazil
 Date: July 03 to 04, 1992
 11. Tissue Functional Implants
 Institution: Basilio Jaef Foundation
 Place: Buenos Aires – Argentina
 Conclusion: June, 1993
 12. Visitor of the San Francisco Dental Implant Institute
 Duration: May/June, 1994

Chief. Robert Steege DDS
Place: San Francisco, CA - USA

13. Advanced English Language Instruction
Institution: CSU - California State University
Program: Continuing Education American Language and Culture Institute
Place: Chico, California – USA
Conclusion: May, 1994
14. Nose and Facial Sinuses (Theory and Practice)
Duration: May 26 to 28, 1995
Coordinator: Alexandre Pelippu MD
Professor: V.M. Bouton MD (France)
Place: Albert Einstein Hospital
Sao Paulo, Sao Paulo State - Brazil
15. I Symposium in Maxilofacial Rigid Fixation
Coordinator: Eduardo de Siqueira Campos DMD
Place: Medical Center Barra Shopping
Rio de Janeiro, Rio de Janeiro - Brazil
Date: April 26 to 27, 1996
16. III Course Introduction to Anesthesiology
Duration: September 23 to 27, 1996
Coordinator: Anesthesiology Society of Rio Grande do Sul State
Place: AMRIGS Porto Alegre, Rio Gande do Sul State - Brazil
17. Orthognathic Surgery
Duration: 08 hours
Professor: Anesthesiology Society of Rio Grande do Sul State
Date: November 23, 1996
Place: Pontiff Catholic University of Parana State
Curitiba, Parana - Brazil
18. Visitor of the OMS Department and Maxilofacial and Head and Surgery - Taubman Center
Institution: Michigan University
Preceptor: Dr. Joseph I. Helman
Place: Ann Arbor, Michigan – USA
Conclusion: January 2000
19. Negotiation and Client Management
Lecturer: André Feltrin
Place: São José dos Campos – SP
Date: February 29, 2004
Duration: 04 hours

Attendances

1. III Cycle of Conferencies in Rehabilitation, Periodontics and Oral Implantology
Coordenator/President: Dr. Ronaldo José Silva
Place: Hotel JP Ribeirão Preto – SP Brazil
Date: 16, 17 and 18 september, 2004
2. 6° Meeting Latin-American of Periodontistis and Implantodontists of the New Generation
Coordenator/President: Dr. Ronaldo José Silva
Place: Hotel JP Ribeirão Preto – SP
Date: 16, 17 and 18 de setembro, 2004
3. I Symposium of Craniofacial Surgery of the Mãe de Deus Hospital
Place: Mãe de Deus Hospital
Date: august 28, 2004
City: Porto Alegre – RS
Duration: 12 hours
4. Meeting “Treatment of the Buccal Tumors, Radiotherapy and Prevention of Colateral Effects”
Event: Round table of Oral Lesions and Treatment
Coordenator: Dr. Laurindo Sassi
Place: Erasto Gaertner Hospital
City: Curitiba - PR
Date: october 20, 2004
Duration: 03 hours
5. XVIII National and International Scientific Journeys
Organization: Asociación Dental del Distrito Federal
Place: World Trade Center Ciudad de México
Date: november 3 to 5, 2004
City: Mexico City – México
6. TMJ Concepts Clinician Symposium
Place: The Anspach Company
Address 4500 Riverside Drive Palm Beach Gardens, Florida
Date: May 20, 21 2005
Duration: 12 academic hours
7. World Celebration – 40 years of Osseointegration
Event: 40 years of Osseointegration – Branemark
Place: Palácio das Convenções do Anhembi, São Paulo – SP
Date: September, 22 to 24 2005
8. ASTMJ Meeting - Condylar Resorption: Orthodontic & Surgical Management Perspectives

Place: Fairmont Hotel Chicago
Date 5/2/2014 thru 5/3/2014
City: Chicago, IL - EUA
Credits live activity: 12.00

9. ESTMJS Meeting - Chronic Inflammatory Disease vs. Osteoarthritis of the TMJ -
Surgical Aspects

Place: Koenigshof Hotel
Date: July 1-3, 2015
City: Bonn, Germany
Credits: 10 CME - credit points

10. ASTMJ Meeting - Ojai California

Place: Ojai Valley Inn and Resort
Date: March 3-5
City: Ojai, California - EUA
Credits: 10 points

3. Professional Activities

1. Former Preceptor and Supervisor at Cajuru Hospital

Institution: Pontiff Catholic University
Department: Emergency Dentistry and Oral and Maxillofacial Surgery
Place: Curitiba, Parana State - Brazil

2. Former Preceptor Oral Surgery and Dental Anesthesiology I and II

Institution: Pontiff Catholic University of Parana State, School of Dentistry
Place: Curitiba, Parana State - Brazil
Period: First and Second Semester of 1990

3. Former Preceptor Oral Surgery and Dental Anesthesiology I and II

Institution: Pontiff Catholic University of Parana State, School of Dentistry
Place: Curitiba, Parana State - Brazil
Period: First Semester of 1991

4. Invited Professor of Oral and Maxillofacial Surgery Department

Institution: Federal University of Parana State
Place: Curitiba, Parana State - Brazil
Period: whole year 1992

5. Invited Professor of Oral and Maxillofacial Surgery Department

Institution: Pontiff Catholic University of Parana State, School of Dentistry
Place: Curitiba, Parana State - Brazil
Period: Second Semester of 1992

6. Former Adjunct Professor of OMFS, Dental Implant, and Oral and Maxillofacial

- Anatomy
 Institution: TUIUTI University - School of Dentistry
 Place: Curitiba, Parana State – Brazil
 Period: 1999 to first semester 2001
7. Former Adjunct Professor of Oral and Maxillofacial Surgery
 Institution: UNIVALI University - School of Dentistry
 Place: Itajai, Santa Catarina State - Brazil
 Period: 1998 to first semester 2001
 8. Preceptor of Hospital Dentistry Department
 Emergency Room Cajuru Hospital
 Place: Rua Sao Jose, 738 - Curitiba, Parana State – Brazil
 Period: June 1993 to December 1993
 9. Preceptor of Hospital Dentistry Department
 Emergency Room Cajuru Hospital
 Place: Rua Sao Jose, 738 - Curitiba, Parana State – Brazil
 Period: February 1995 to April 1996
 10. Invited Oral and Maxillofacial surgeon to perform surgeries at
 General Hospital of Lubango, Angola
 Period: November 1998
 11. Private Practice
 Instituto Stevao de Cirurgia e Implantologia Bucal
 Office: Rua Conselheiro Laurindo, 1825 11º andar - sala 1106
 80.530-000 - Curitiba, Parana State – Brazil
 Period: until June 2001
 12. Chief of Oral and Maxillofacial Surgery Department
 Institution: Sao Judas Tadeu Hospital
 Place: Curitiba, Parana State – Brazil
 Period: January 2000 until June 2001
 13. Consultant and Reviewer of the Brazilian Journal of Surgery, Implant and Prostheses.
 14. Invited Oral and Maxillofacial Surgeon - OMS Department
 Institution: Marieta Konder BornHaunsen Hospital
 Place: Itajai, Santa Catarina State - Brazil
 15. Assistant Researcher
 Department: Histology and Molecular Biology
 Field: Bone Repair
 Institution: UNIVALI University
 Place: Itajai, Santa Catarina State – Brazil

Period: 2000 until May 2001

16. Researching with Dr. Charles A. Babbush
Director Dental Implant Center, Mt. Sinai Hospital, Cleaveland, Ohio
Clinical Professor, Case West. Reserve University, Cleveland, OH, USA.
Issue: Bone Repair
Material being researched: Dynagraft® Putty and Gel – Desmineralized Bone Matrix
Facilities for the development of the research: UNIVALI University
Place: Itajai, Santa Catarina State - Brazil
17. Member of the SBPQO - Sociedade Brasileira de Pesquisa Odontologica- Brazilian
Society of Dentistry Research
Place: Sao Paulo, Sao Paulo State – Brazil
18. Member of the Editorial Board of Journal of Clinical and Experimental Dentistry
ISSN 1989-5488
Official Journal of the Spanish Society of Oral Surgery (SECIB)
Based in Spain
<http://www.medicinaoral.com/odo/01.pdf>

4. Lectures and Courses Presented

1. Invited to Evaluate, Perform surgeries and Follow-up patient with facial deformities
working as Dr. Larry Wolford's first assistant at Hospital de Reabilitação de
Anomalias Craniofaciais – Universidade de São Paulo, SP - Brazil
(Hospital for Craniofacial Anomalies Rehabilitation – University of Sao Paulo, SP – Brazil)
Place: Bauru, SP - Brazil
Date: 09/01/2002 to 09/07/2002 during special award to Dr. Larry M. Wolford DMD
2. TMJ Dysfunction – Current Treatment.
Place: Regional Counsel of Dentistry of Pernambuco State, Recife City.
Congress: I Cientific Forum of CENTROFACE.
Date: November 06-07-08, 2003.
3. Orthodontics for Orthognathic Surgery
Place: School of Dentistry of the Foundation for the Development of the
Sciences
Event: III JOBA – Jornada Odontológica Baiana.
Date: May 08, 2004.
4. Osseous Transplants: autogenous vs. alografts vs. ostegenesis distraction.
Indications, contra-indications, advantages and disadvantages.
Place: Costão do Santinho, Florianópolis – SC.
Event: 1º Internacional Meeting of Advanced Dentistry and 3º South
Brazilian Simposium of Implantology.
Date: May 22, 2004.

5. TMJ Total Joint Prosthesis.
Place: Hospital for Craniofacial Rehabilitation of the University of Sao Paulo - SP - Centrinho .
City: Bauru - SP
Date: May 24, 2004.
Duration: 08 hours.
6. Surgical Protocol for Implant Dentistry with hands-on training
Place: Syndicate of Dentists of Mato Grosso State.
City: Cuiaba - MT
Date: June 13, 2004.
Duration: 08 hours.
7. Presentation of the Titanium Fix Implant System with hands-on training
Place: Brazilian Association of Dentistry, Section of Mato Grosso State,
City: Cuiabá - MT
Date: June 14, 2004.
Duration: 08 hours.
8. New Protocols in TMJ surgery
Event: I Catarinense Meeting of Oral and Maxillofacial Surgery
Place: Bristol Castelmara Hotel, Florianópolis, SC - Brazil.
Date: August 06 and 07, 2004.
Duration: 02 hours.
9. Bone Grafts: indications e counter-indications in the Modern Implantology
Coordinator/President: Ronaldo José Silva
Event: III Ciclo de Conferências em Reabilitação, Periodontia e Implantologia Oral / 6º Encontro Latino-Americano de Periodontistas e Implantodontistas da Nova Geração
Place: Hotel JP
City: Ribeirão Preto – SP
Date: september 16, 17 and 18 , 2004
Duration: 01 hour
10. Factors that influence the success in the actual Implantology
Coordinator/President: Daniel Flores Mubarak
Event: IV CUMBRE Seminários Odontológicos Latinoamericanos
Place: Museo de la Nación
City: Lima, Peru
Date: october 07, 2004
Duration: 04 hours
11. TMJ reconstruction with Total Joint Prostheses TMJ Concepts System

Event: Round table to discuss Buccal Lesions and Treatment. Specific concentration "Treatment of Buccal Tumors and Radiotherapy and Preventions of its colateral effects"

Coordenator: Dr. Laurindo Sassi

Place: Hospital Erasto Gaertner

City: Curitiba - PR

Date: october 20, 2004

Duration: 03 hours

12. Bone Graft for Maxillary and Mandibular Reconstruction

Event: XVIII National and International Scientific Journeys

Organization: Asociación Dental Del Distrito Deferal

Place: World Trade Center Ciudad de México

City: Mexico City

Date: november 03, 2004

Duration: 02 hours

13. President of Round Table and Discussions about Clinical Cases

Event: II Jorney of Oral and Maxillofacial Surgery of the Erasto Gaertner Hospital (Oncology Hospital)

Organization: Center for Projects of Teachings and Reasearch

Place: Room of Acts of the Barigui Park

City: Curitiba – PR

Date: abril 06, 2005

Duration: 10 hours

14. Titanium Fix System – from the basics to advanced

Event: Course of Specialty in Implant Dentistry

Organization: Prof. Antonio Elias Mansur

Place: ABO Ponta Grossa – PR

City: Ponta Grossa PR

Date: 04, 05 of June, 2005

Duration: lecture of 12 academic hours

15. TMJ Disfunction: updates in clinical and surgical

Event: IV Dentistry Congress of Mato Grosso – MT and III CITA – Cicle of Academic Works.

Place: Cuiabá – MT

Date: 10 of June, 2005

Duration: lecture of 03 academic hours

16. Actual Implant Dentistry and the Titanium Fix System

Event: IV International Congress of Integral Dentistry

Place: San Miguel de Tucumán, Argentina

Date: June, 18 2005

Duration: lecture of 03:30 academic hours

17. Implant Dentistry: techniques, challenges and success
Event: Residency in Implant Dentistry
Place: School of Dentistry Uningá in Maringá - PR
Date: September, 08 2005
Duration: lecture of 08 academic hours
18. Success in Implant Dentistry: Imperative Foundations
Event: 7^a. Journey of APCD of Ribeirão Preto
Place: Ribeirão Preto – SP
Date: September, 17 2005
Duration: 04 academic hours
19. Workshop about “The Titanium Fix System”
Event: 40 years of Osseointegration Branemark
Place: Palácio das Convenções do Anhembi, São Paulo – SP
Date: September, 24 2005
Hour: 1 to 2 PM
Duration: 01 academic hour
20. Clinical, Cephalometric, MRI and Dental Model Analysis for Complex Dental Facial Deformities – Orthognathic Cases Presentation
Department of OMFS
Place: University of Minnesota, Minneapolis - MN
Date: December 1, 2008
Duration: 02 academic hours
21. Sleep Disturbs – Ethiology and Types of Treatment
Event: II Multidisciplinary Journey of Diabetes
Place: Faculty of Pato Branco - FADEP
Date: November 12th, 2009
Duration: 08 academic hours
22. Basis of the Implantology: Planning, Surgical guides and Clinical Cases
Place: Superior Institute of Health of Peru
Date: February 9th thru 11th, 2010
Duration: 18 academic hours
23. Prosthesis Planning over Dental Implants
Place: Major National University of San Marcos
Dentistry School – Post-graduation Unity
City: Lima - Peru
Date: February 12th, 2010
Duration: 04 academic hours
24. Orthodontic Mini-implants

Place: 20th Pernambucan Congress of Dentistry
Brazilian Association of Dentistry
City of Recife – Pernambuco
Date: March 25th, 2010
Duration: 01 academic hour

25. Short and Thin FlexCone Dental Implants Applications – A New
Prosthetic Conception

Place: 20th Pernambucan Congress of Dentistry
Brazilian Association of Dentistry
City of Recife – Pernambuco
Date: March 28th, 2010
Duration: 01 academic hour

4. Special Award, Distinctions, Prizes

1. Name of Honor: Daniel A. Carrión
Sponsoring Organization: Superior Institute of Health of Peru Daniel A. Carrión
Special award for 15 years teaching Implantology in Peru
Date Received: February 11th, 2010
Local: Lima, Peru

5. Affiliations

1. Organization: Regional Council of Dentistry
Place: Curitiba, PR – Brazil
Since 1991

2. American Society of TMJ Surgeons
Place: Minneapolis, MN – USA
Since: 2008

3. Brazilian Society of Dental Research
Place: Sao Paulo, SP - Brazil
Since: 1999

4. Brazilian Academy of Piezosurgery
Local: Curitiba, PR – Brazil
Since: 2012 to 2016

Dr. Eber Stevao is the founder and the actual elected President of the Brazilian Academy of Piezosurgery

5. Advisory Board Member of the Medicon MC Dental Sciences
<https://themedicon.com/mcde-editorial-board>
Since December 10th, 2021
